Re: Filing of Notice of Appeal
Appl. No.: 10/565,366
Filed: January 23, 2006
Title: **Process for the Hydrogenation of
Aromatic Compounds**
Inventor(s): Hartung, *et al.*
Atty. Dkt.: 7601/84486

Dear Sir:

The following document is being submitted herewith for appropriate action by the U.S. Patent and Trademark Office:

Notice of Appeal (1 page).

The USPTO has been electronically authorized to charge Applicants' credit card the fee for filing this Notice of Appeal (believed to be \$540.00 for a large entity). On April 24, 2010, Applicants filed a Response to the final Office Action for this application (mailed December 8, 2009). Applicants' Response was accompanied by a Petition and fee for a two month extension of time (\$490). Because of this, Applicants believe that a further extension of time and fee is not required for the filing of the present Notice of Appeal. Nevertheless, the Director is hereby authorized to charge any fee deficiency with respect to this filing and any other fee required in connection with the present case, or credit any overpayment, to our Deposit Account No. 50-4056 under Order No. 7601/84486. If a further extension of time is needed to prevent abandonment of the application, it is hereby petitioned and may be charged to the same Deposit Account under the same Order Number.

Very truly yours,
